NEU membership check

- It is important that the NEU holds accurate, up to date, information for all our members.

- We are asking all members to go online to check and update their details.

- We particularly need to make sure we have an up to date email, home address and workplace for you.

- This will help with our campaigns, and ensure that our communications go to the right people, in the right place, at the right time.

LOG IN

To check and update your membership details, scan this QR code or visit **my.neu.org.uk/login**. These will take you to **myNEU** where you can log in using your membership number and password.

Here you will find a number of tabs and all we need you to do is follow the three stage process of **Check, Edit, Save**

- **PERSONAL**: Check – Edit– Save
- **WORKPLACE**: Check – Edit – Save
- **EQUALITIES**: Check – Edit – Save
- **SUBSCRIPTION**: Check - Edit – Save

Finally, click on **myRewards** to see what offers and discounts you can access as an NEU member.
