

ARE YOU BALLOT READY?

The NEU is preparing to ballot teacher members for strike action over pay, in the autumn term.

We want to make sure all members are ready for this.

OUR CORE MESSAGE:

- 1.** The value of teachers' pay has fallen by 20% since 2010
- 2.** There is a crisis in recruitment and retention – 33% leave the profession within five years
- 3.** Inflation is now at 11%
- 4.** Teachers deserve a pay rise in line with inflation for 2022 and 2023
